BRITISH JOURNAL OF
NURSING

Index/volume 16

January 2007 to December 2007

TVS = Tissue Viability Supplement; IPS = Infection Prevention Supplement

A

A qualitative study to determine the restratification of nursing. *Nursing roles.* C Wilkinson 364
Abbas SQ *see* **Abbas SZ et al**
Abbas SZ, Klass de Vries T, Shaw S and **Abbas SQ.** Use and complications of peripheral vascular catheters: a prospective study. *Infection control.* 648
Abeles P, Danquah A, Wadge M, Hodgkinson P and **Holme E.** Measuring patient dependency in child and adolescent mental health. *Mental health* 1064
Abuse
by care professionals
Part 1: an introduction. *Patient welfare.* CF Barber . . . 938
Part 2: a behavioural assessment. *Patient welfare.* C Barber 1023
Part 3: analysis of characteristics and reasons. *Patient welfare.* C Barber 1080
Part 4: an exploration of available resources. *Patient welfare.* C Barber 1152
Part 5: implications for nurses. *Patient welfare.* C Barner. 1230
day in the life of a student nurse. *Editorial.* A Bailey 573
Acid–base balance
intermediate and long-term regulation of acid–base homeostasis. *Clinical education.* J Clancy and A McVicar 1076
short-term regulation of body fluids. *Clinical education.* J Clancy and A McVicar 1016
Acidosis
intermediate and long-term regulation of acid–base homeostasis. *Clinical education.* J Clancy and A McVicar 1076
short-term regulation of acid–base homeostasis of body fluids. *Clinical education.* J Clancy and A McVicar 1016
Action science: evaluating a framework for the development of joint appointments. *Joint appointments.* J Fowler et al 486
Acutely ill patients: safer care. *Guest editorial.* J Fox 913
Adams D and **Elliott TSJ**
Needlestick injuries: is it time for a new approach? *Comment* 334
Skin antiseptics used prior to intravascular catheter insertion. *IV nursing care* 278
Adolescents
characteristics and trends of self-harming behaviour in young people. *Adolescent nursing.* K Cleaver 148
condemned or curious? Don't believe the hype. *Editorial.* A Bailey 1305
developmental differences and their clinical impact. *Adolescent nursing.* L Singleton 140
home intravenous therapy training for carers of children and young people. *IV nursing care.* J Mighten 272
measuring patient dependency in child and adolescent mental health. *Mental health.* P Abeles et al 1064
nutrition in pregnant teenagers: how nurses can help. *Adolescent nursing.* E Derbyshire 144
Advance directives and implications for emergency departments. *Advance directives.* S Jones and B Jones 220
Advanced practice
influences and accountabilities. *Advanced practice.* H Wiseman 167
thinking and writing at Masters level: a reflective passage. *Reflective writing.* J Fowler 887
Advocacy: Mental Capacity Act 2005. *Specialist healthcare law.* B Dimond 1414
A&E: Delphi approach use to develop a strategy in defence nursing. *Defence nursing.* G Kenward et al 11
Aggression: psychological impact of on nursing staff. *Aggression in nursing.* G Bonner and S McLaughlin 810
Ahmed I and **Majeed A.** The safe and responsible disposal of unused controlled drugs. *Controlled drugs* 1318
Alcohol
condemned or curious? Don't believe the hype. *Editorial.* A Bailey 1305
under diagnosis of alcohol misuse in the older adult population. *Substance misuse.* D Loukissa 1254
nurses' guide: promoting healthy lifestyle changes, part 3. *Alcohol treatment.* A Harrington-Dobinson and W Blows. 106
nurses' guide to the impact on health and wellbeing: part 2. *Alcohol misuse.* A Harrington-Dobinson and W Blows. 47
Alkalosis
intermediate and long-term regulation of acid–base homeostasis. *Clinical education.* J Clancy and A McVicar 1076
short-term regulation of acid–base homeostasis of body fluids. *Clinical education.* J Clancy and A McVicar 1016
Allen M. A real tonic to the profession. *Special feature* 699
Altered living: coping, hope and quality of life after stroke. *Neurological nursing.* H Western 1266
Alternative therapies, literature review: should nursing take aromatherapy more seriously. *Complementary therapy.* J Buckle 116
Alzheimer's disease, real life death: has reality TV gone too far? *Castledine column.* G Castledine 961
Anand SC *see* **Lee G**
Anderson I. A review of the four layer vs the short stretch bandage system. *Corres* . . . . . 4(TVS August)
Anglin S. New challenges and new thinking in sickle cell screening. *Comment* 914
Antiembolic stockings use. Part 1: a literature review. *Compression therapy.* L Walker and S Lamont 1408
Antisepsis, skin: using 2% chlorhexidine gluconate in 70% isopropyl alcohol. *IV therapy.* S Inwood. 1390
Antiseptics used prior to intravascular catheter insertion. *IV nursing care.* D Adams and TSJ Elliott 278
Aromatherapy: should nursing take it more seriously: literature review. *Complementary therapy.* J Buckle 116
Artificial nutrition
nurses' ethical decision-making role. *Artificial nutrition.* A Tsaloglidou et al 997
nutritional support via enteral tube feeding in hospital patients. *Nutrition.* E Roberts 1058
Ashmore R *see* **Clibbens N et al**
Ashton M *see* **Fowler J et al**
Assessment is the key. *Castledine column.* G Castledine 1299
Aubry M *see* **van Raders P et al**
Audit
chronic wound audit: evaluation of a tissue viability service. *Tissue viability.* C Tait and E Gibson . 14(TVS November)
comprehensive of nursing record keeping practice. *Record keeping.* P Griffiths et al 1324
documenting insertion date of peripheral intravenous cannulae. *IV nursing care.* J Biswas 281
of nutritional care in a health board in Scotland. *Nutrition.* C Beech et al 1286
oxygen therapy on a respiratory ward. *Respiratory nursing.* S Hickey 1132
Auditory hallucinations: cognitive behavioural therapy group work with voice hearers
Part 1. *Mental health.* T McLeod et al 248
Part 2. *Mental health.* T McLeod et al 292
Autonomy and care
acting in a person's best interests. *Specialist healthcare law.* S Fullbrook 236
respecting the wishes of the deceased patient. *Specialist healthcare law.* K Sanders and S Fullbrook 360
A-V Impulse System: prevention of DVT after orthopaedic surgery. *Deep vein thrombosis.* B Turnbull 612

B

Bach K *see* **Voergaard LL et al**
Bæch SB *see* **Voergaard LL et al**
Bailey A
22,300 deaths: festive season for older people. *Editorial.* . . . 1373
Abuse – a day in the life of a student nurse. *Editorial* 573
The 'Big Ban': a fresh start for smokers? *Editorial* 641
A champion of nursing is BJN's shining knight. *Editorial* . . 697
Chronic fatigue syndrome: a tiresome illness. *Editorial* 967
Condemned or curious? Don't believe the hype. *Editorial* 1305
Congress hots up before winding down. *Editorial* 441
It's all about change – at BJN and at Congress. *Editorial.* . . 381
Looking to the future: decision need to be made. *Editorial* 1039
A new day, a new minister, a new dawn for the NHS? *Editorial* 845
Smoking ban causes less smoke in bars 'shocker.' *Editorial* 1107
Bailey A and **Black P.** Which do you want first: the good news or the bad? *Editorial* 1175
Bandages: review of the four layer vs the short stretch bandage system
Corres. H Charles; R Gannon . . . . . 5(TVS August)
Corres. I Anderson . . . . . 4(TVS August)
Tissue viability. R Gannon . . . . . 14(TVS June)
Bangladeshi females and integrated continence services. *Continence nursing.* M Wells and A Wagg 516
Banning M. Advanced breast cancer: aetiology, treatment and psychosocial features. *Women's health.* 86
Barber C
Abuse by care professionals
Part 2: a behavioural assessment. *Patient welfare.* 1023
Part 3: analysis of characteristics and reasons. *Patient welfare* 1080
Part 4: an exploration of available resources. *Patient welfare* 1152
Part 5: implications for nurses. *Patient welfare* 1230
